Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Tuesday 03 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells to start with few isolated showers.

Today:
Tuesday starts off with sunny spells, but cloud soon bubbles up to give a few isolated showers. Feeling pleasant in the sunshine, with light winds continuing. Maximum temperature 20 deg C (68 deg F).

Tonight:
Any lingering showers will ease into the evening. Leaving a dry night with clear spells. It will feel chilly in clearer areas. Minimum temperature 9 deg C (48 deg F).

Wednesday:
A dry start with sunny spells but showers soon develop. Becoming locally heavy and potentially thundery during the afternoon. These will clear in the evening. Feeling warm between showers. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Turning unsettled with widespread showers on Thursday. Persistent heavy, possibly thundery showers remain throughout Friday. Saturday will be a widely showery day.
